PURPOSE AND METHODS OF PROCESSING

BROWSER DATA

The computer systems and software procedures used to operate this website will, during the course of normal operation, gather certain personal data that are automatically transmitted when using internet communication protocols. Such information is not collected so as to be associated with identified individuals but, by its very nature, it could result in the identification of users via processing and association with data held by third parties.

Such data will include the IP addresses or domain names of the computers of users who connect to the site, addresses of the requested resources in URI (Uniform Resource Identifier) form, the time of the request, the method used to submit the request to the server, the size of the file obtained in reply, the digital code indicating the status of the reply from the server (success, error, etc.) and other parameters relating to the user's operating system and computer environment.

These data will only be used to obtain anonymous statistical information about site usage and to check that it is functioning properly; they will be deleted immediately after processing. The data may be used to establish liability in the event of possible computer crime against the site.

DATA ACQUIRED VIA CONTACT FORMS AND DEDICATED SECTIONS

Such information relates to data provided voluntarily by the user.

- **CONTACT US:** please note that the data provided will be used solely to comply with your request. The data collected will be kept only for as long as is necessary to respond to you. Data will be processed according to the consent given. If permission for processing is refused, it will not be possible to handle your request. Any other purposes related to marketing activities (sending of advertising or promotional material) will be subject to your specific and separate consent.
Any additional purposes related to marketing activities (sending advertising and / or promotional material) will be subject to a specific and separate consent.
- **MARKETING:** The data acquired may be used for sending you promotional or advertising material, but only where you have expressed your specific consent to such processing. The data will be retained and processed until the data subject makes a request to cancel/unsubscribe via the channels provided.
- **E-SHOP REGISTRATION:** please note that the data provided will be used solely to comply with your e-shop registration. The data will be retained and processed until the data subject makes a request to cancel/unsubscribe via the channels provided. Data will be processed according to the consent given. If permission for processing is refused, it will not be possible to handle your request. Any other purposes related to marketing activities (sending of advertising or promotional material) will be subject to your specific and separate consent.
Any additional purposes related to marketing activities (sending advertising and / or promotional material) will be subject to a specific and separate consent.
- **E-SHOP PURCHASES:** Your data will be processed to execute the existing contract between you and our Structure and to fulfil the obligations arising from the law.
- **SNOWIT PAGANELLA:** this form has a specific privacy policy.

The above-listed processing will be carried out solely in computerised form, but processing in paper form cannot be excluded. Your data may be communicated to persons regarded as recipients pursuant to art. 4 or to data supervisors pursuant to art. 28 of the Regulation (EU) with responsibility for responding to your requests to us.

The company has also partially anonymised user IP addresses and reduces the data that Google can access via its Analytics tools.

COOKIES

Cookies are small text files (usually consisting of letters and numbers) that are stored in the memory of a browser or device when the user visits a website. They may only be stored for the duration of the visit or for a longer period: their purpose is to allow the server to recognise users even after their initial access.

Provision no. 231, issued by the Data Protection Authority on 10 June 2021, states that consent is not required for technical cookies as these are necessary for the operation of the site.

For all other types of cookies, users may grant, withdraw, or update such consent by setting their preferences within the banner at any time according to the procedures below regarding the exercise of user rights.

HOW TO GRANT, WITHDRAW OR UPDATE YOUR CONSENT TO COOKIES

During their initial visit to the site, users may consent to the use of cookies by clicking on the "Accept all" button in the banner itself, or withhold their consent to third-party, profiling, or analytical cookies by selecting the "X" or "Reject all" button.

Otherwise, you can at any time select or deactivate the individual categories of cookies, then confirm your choices by clicking on "[Manage preferences](#)".

Refusal to grant the use of third-party, analytical, or profiling cookies will not prevent access to the site, with the exception of blocking functions or content that may make use of such cookies.

TRANSFERRING DATA TO A THIRD COUNTRY OR TO INTERNATIONAL ORGANISATIONS

Your data will not be transferred in any way to third countries outside the EU or to international organisations, nor be stored on servers located in any third country.

AUTOMATED DECISION-MAKING PROCESSES

The data controller does not use any automated decision-making processes in respect of your personal data.

RIGHTS OF THE DATA SUBJECT

You have the right at any time to request the data controller to provide you with access to your data, as well as to the rectification or deletion of such data. You will receive a written reply within 30 days (unless you have specifically requested a verbal reply), which may also be in electronic form. You also have the right to request the limitation of processing or to object to it. Finally, you may request the portability of your data to another data controller. You may at any time also revoke any consent you have given via this website: to revoke such consent simply contact one of the addresses listed above.

You have the right to submit a complaint to the supervisory authority if you feel that your data have been processed unlawfully.
